## DESIGN

Combining your ideas and our experience we can create a beautiful hand drawn design providing a creative solution.

We offer a full Architectural service providing you with comprehensive engineering drawings taking care of all the relevant paperwork so you don't have to.

We can design your garden to suit your lifestyle, creating your own personal haven!

## INSTALLATION

We construct driveways, paths and patios using a variety of different materials both manmade and natural.

- Full landscaping and planting service.
- Lighting, music and water features.
- Contemporary landscape sculpture and dry stone walling.
- Decking and fencing.

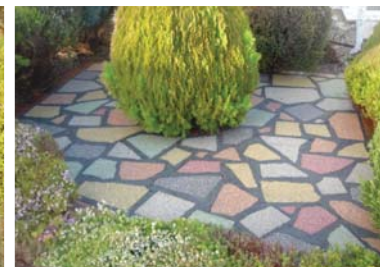

Inspirational, innovative and imaginative solutions with a comprehensive guarantee.

## BEFORE

## AFTER

## RESTORATION

Utilising the very latest machinery and chemicals we can professionally clean and restore your path patio or driveway regardless of what it is constructed with. We have a comprehensive knowledge of block paving, patterned imprinted concrete, tarmac, natural paving and decking.

- Sympathetic and sensitive cleaning service, restoring more fragile surfaces where aggressive cleaning methods would either not be suitable or inappropriate.
- Repair and restore sinkage, spreading and cracking.
- Graffiti, paint and water stain removal.
- Tinting, colouring and re-surfacing.

We can also seal any surface helping per long the life of your paving and inhibit moss, weed and algal growth.

## MAINTENANCE

We can keep all your paving looking at its very best all year round, no weeds, moss or algae **GUARANTEED!**

Our maintenance programme can be paid monthly offering a low cost solution to year round beautiful paving.

The picture below shows two driveways constructed at exactly the same time using identical block paviers. We have been maintaining one since 2007 you decide which one!

Let us take the hassle so you don't have to!
